**Description**

Fire content...

**Water** - 60% (Balanced)

**The Feeler**

**Description**

Water content...

## 4. Daily Plan

---

## 5. Elemental Quality Assessment

---

The distribution of planets in the zodiacal wheel shows how we respond to stimuli, and especially how we act under tension. The presence of planets in a particular sign indicates how that sign expresses their element, meaning the mode of behavior they use to express the element needs. There are three qualities: Cardinal, Fixed, and Mutable.
